ACTIVE LIFE FOREVER

14 Day Holistic Health Challenge

Meal Plan

The 1 Meal Plan

Now with just 14 days to clean up our act from the inside OUT it's important that I keep this simple.

Let's start with what we should not touch or eat.

Step One - Identifying bad foods
NO PROCESSED FOOD, NO JUICE, NO DAIRY (except eggs), NO BREAD, NO RICE (use Quinoa)

In order to find exactly which foods may be irritating, you must eliminate all possible culprits for 14 days. I know you can agree to 14 days. And after you have seen dramatic results in just two weeks, then we review the program!
